KD1TD	Op	6-Mar	3-Jun	3-Sep	4-Dec
KB1HNZ	Op		4-Jun	4-Sep	5-Dec

Note that the NH-NBEMS Digital Net meets on the P2P test frequency (Dial 3582.0 kHz - CF 3583.5 kHz) from 1130Z-1230Z (EST) on Saturday mornings. While it's not feasible to expect all stations to make all assigned check-in times for the entire exercise, we do hope that stations will participate to the best of their ability
